Unfortunately, instructions given to the Electronic Instrumentation Division purchasing function in relation to the necessity for obtaining prior approval for all time and material commitments were not clear. Consequently, our request for approval of these purchase orders is made on an after-the-fact basis.

The above time and material purchase orders for technical personnel, sheet metal and machine parts fabrication were inadvertently issued without prior approval during the period 6-11-56 through 1-3-57 not to exceed a total of \$59,304.13. Billings against this maximum totaled \$54,383.48.

Sincerely,

Bob
